

Curriculum Vita

October-2016

Personal Background:

First Name: Peyman

Place of Birth: Tehran, IR of Iran

Marital Status: Married

Gender: Male

Home Address: No 3, Yas4 Valley, Malekinasab Ave., Araghi Ave., Tehran, IRAN , 16639-38311

Work Address: Mofid Children Hospital, Shariati Aven., Tehran, IRAN, 15468-15514

Work Website: www.pchd.sbm.ac.ir

Pediatric Congenital Hematologic Disorders Research Center, Shahid Beheshti University of Medical Sciences, Tehran, Iran

Tel: +98 21 22265488, +98 21 22904536

Tel(mobile) : +98 912 396 8641

Tel-fax (office) : +98 21 22265488, +98 21 22904536

e-mail : peshghi64@gmail.com

Cc : [p_eshghi@sbmu.ac.ir]

Educational Background:

1983-1990: MD. , Tehran Medical University

1990-1993: Pediatric specialty, Children Medical Center, Tehran Medical University, Tehran, Iran

1994-1997: Pediatric Hematology & Oncology subspecialty, Mofid Children Hospital, Shahid Beheshti Medical University, Tehran, Iran

Employment and Related Professional Activities ,Membership and Affiliation:

Current situation and positions:

- 1) N. Dehghan-Nateri, A. GHarebaghian,, K. Goudarzipour, **P. Eshghi**. the Fatty Acid Synthase is a Strong Predictor of Poor Prognosis and Contributes to Glucocorticoid Resistance in B-Cell Acute Lymphoblastic Leukemia. WCRJ 2016.
- 2) Kourosh Goudarzipour,Parinaz Alizadeh,Hesameddin Hoseini Tavasol,Reyhane Kazemi, Peyman Eshghi, Saeed Mojtahedzadeh
A Comparison Between MRIT2 and NT-ProBNP in Early Detection of Heart Diseases in .
Thalasemia Major Patients A Cross-Sectional Study
- 3) Prof. in pediatric Hematology & Oncology department of Mofid Children Hospital, Shahid Beheshti Medical University, Tehran,Iran :**May/2012-now**
- 4) **Founder and first Chair man of Iranian Society of Thrombosis and Hemostasis (IRSTH) since Jan-2016**
- 5) Head of pediatric Hematology & Oncology department of Mofid Children Hospital, Shahid Beheshti Medical University, Tehran, Iran : **May/2011-now**
- 6) Head attendant of Mofid Comprehensive Care Center for Children with Hemophilia: **2007-now**
- 7) **Research Deputy of “Pediatric Congenital Hematologic Disorders Research Center”:**
Aug/2012-now
- 8) Board Member of Pediatric Hematology & Oncology discipline in MOH: **2007-now**
- 9) Board member of Iranian Pediatric Hematology & Oncology Society (IPHOS) :**2000-now**
- 10) Director of Strategic Planning Committee for Pediatric Hematology & Oncology of MOH.
: **2007-now**
- 11) Member of hematologist counselors Committee in Deputy of health of MOH: **2005-now**
- 12) Member of Research committee of Iranian Blood Transfusion Organization: **2005-now**

Previous and other situations and positions:

- 13)** Associate Prof. in Pediatric Hematology & Oncology, department of Mofid Children Hospital, Shahid Beheshti Medical University, Tehran, Iran: **2007- 2012**
- 14)** Assistant Prof. in pediatric Hematology & Oncology, department of Mofid Children Hospital, , Tehran, Iran: **2005-2007**
- 15)** Assistant Prof. in pediatric Hematology & Oncology; Ali Asghar Children hospital, Zahedan Medical University, Zahedan, Iran; **1997-2005]**
- 16)** Counsellor to General Director of Iranian Blood Transfusion Organization: **2005-2010**
- 17)** President of Ali Asghar Children hospital, Zahedan Medical University, Zahedan, Iran: **2000- 2004**
- 18)** Head of committee for Establishment of prenatal diagnosis center in Sistan & Balouchestan province(as the 5th national PND center in IRAN) and clinical attendant of this center: **2002-2005**
- 19)** Board member of Zahedan Medicine Council Organization: **2004-2006**
- 20)** Editorial Board Member of Scientific Journal of Iranian Blood Transfusion Organization (BLOOD): **2007-now**

And:

- Member of many other Scientific and Executive committees in Medical Universities, and Iranian Blood Transfusion Organization , regional, national and international congresses in IRAN: **1997-now**
- Speaker and coordinator in national workshops, congresses and CME seminars around the country and abroad **1997-now**
- Referee of many national medical journals: **2000-now**

Official Appreciations and Awards for Employment and Related Professional Activities:

1- IRI Medicine Council Organization:

- as the best Pediatric Hematologist and Oncologist in Iran: in **2005**

2- Ministry of health and medicine education:

- for Establishment of prenatal diagnosis center in Sistan & Balouchestan province **2005**
- for Diligently cooperation with National Thalassemia Prevention Program; **2008**

- for presentation an article about Medical Documents and improvement in medical education **2000**

3- Zahedan division of IRI Medicine Council Organization:

- as the best physician in S&B Province: **2001**

4- Zahedan Medical University:

- for Establishment of prenatal diagnosis center in Sistan & Balouchestan province **2004**
- for especial respectability for patients and parents in Ali Asghar Children Hospital **2004**
- for successful educational efforts and obtaining the first national rank in resident training: **1999**
- for establishment of Rooming in service for mothers and neonates **1994**
- The best faculty member. **2001**

Publications:

Book Authoring:

- 1) **Comprehensive Management for Thalassemia in Iran** -2ND edition(in Persian); MOH publication (in press): 2016
- 2) Therapeutic Algorithms Of Musculoskeletal Complications Of Hemophilia(in Persian); Nashre Adiban publication: 2010
- 3) **Lymphadenopathy in children** (in Persian): [Pediatric Infectious Disease Research Center, Mofid children Hospital]; Donya-ye Taghzieh publication: 2009
- 4) **Comprehensive Management for hemophilia in Iran** (in Persian); MOH publication: 2008
- 5) **Comprehensive Management for Thalassemia in Iran** (in Persian); MOH publication: 2006
- 6) **Comprehensive textbook of Thalassemia in IRAN** (in Persian) Baghiat-allah University publication: 2005
- 7) **Textbook of Pediatrics** (in Persian); Shahid Beheshti University publication: 2005

 **Articles Presented in conferences:**

1. **Articles presented in 7th Annual Congress of the European Association for Haemophilia and Allied Disorders. Brussels, Belgium 26-28 February 2014**

 - a. Severity of clinical manifestations based on plasma factor activity in rare bleeding disorders (poster)
 - b. clinical manifestations and therapeutic response to recombinant factor VII in patients with glanzmann thrombasthenia (poster)
 - c. Assessment the quality of life in children with factor XIII deficiency in southeast of Iran (poster)
2. **Articles presented 8th Congress of Iranian Society of Pediatric Blood and Cancer. Tehran, February 2014.**

 - a. A self-controlled comparative clinical trial to explore the effectiveness of three topical haemostatic agents for stopping severe epistaxis in pediatrics with inherited coagulopathies
 - b. A child with severe congenital factor VII Deficiency and factor VII alloantibody inhibitor
3. **Articles presented Von Willebrand Disease, Hemophilia and Rare Bleeding Disorders Congress , Kish, February 2014.**

 - a. prophylaxis in Hemophilia
 - b. Case Report
 - c. Role of Fibrinogen in control of massive bleeding
4. **Articles presented 35th Dr. Gharib Congress, Tehran, May 2014.**

 - a. Local Bleeding Inhibitors factor
5. **Articles presented in XXIV of the international society on thrombosis and hemostasis. Amsterdam, 29 June- 4 July 2013**

 - a. Comparison of recombinant coagulation factor VII with NOVOSEVEN in patients with FVIII and IX deficiency with an inhibitor(ARYOSEVEN)
 - b. Intracranial hemorrhage in factor XIII deficiency
 - c. Effect of social factors on high prevalence of factor XIII deficiency in southeast Iran
 - d. The Comparison of efficacy between recombinant activated factor VII ARYOSEVEN and NOVOSEVEN in patients with congenital factor VII deficiency
6. **Articles presented in TIF 2013:**

P. Eshghi, et al . The comparison of side effects and iron excretion in urine by two brands of deferoxamine(Desfonak[®] and Desferal[®]) in major Thalassemia patients. . OP13
7. **Articles presented in ISTH 2013:**

- a. Majid Naderi, Akbar Dorgalaleh, Peyman Eshghi, Shaban Alizadeh, Shadi Tabibian, Esmail Sanei Moghaddam. Effect of social factors on high prevalence of factor XIII deficiency in southeast Iran
 - b. Majid Naderi, Peyman Eshghi, Mehran Karimi, Akbar, Shadi Tabibian. Intracranial hemorrhage in factor XIII deficiency
 - c. The Comparison of efficacy between recombinant activated factor VII ARYOSEVEN and NOVOSEVEN in patients with congenital factor VII deficiency
 - d. Pregnancy and successful delivery of patients with FXIII deficiency on prophylaxis in Iran; report of 17 cases
-
8. Articles presented in Opportunities and challenges in the clinical management of rare bleeding disorders in Iran & Lebanon, Beirut, 2013
-
- a. Unmet needs in FXIII deficiency diagnosis
-
9. Articles presented in Baxter & YOU partnering in coagulation management, Malta, 2013
-
- a. Partnering in the management of patients with bleeding disorders
-
10. Articles presented in Changing possibilities in hemophilia., Brussels, Belgium 24-25 February
-
- a. Hemophilia Registry in Iran (oral)
-
11. Articles presented in XXX International Congress of the World Federation of Hemophilia. Paris. 8-12 July 2012. Haemophilia (2012), 18 (Suppl. 3)
-
- a. P. ESHGHI, B. MORADVEISI and M. ALAIEE! Frequency, Risk Factors and Consequences of Decreased Bone Mineral Density in Children with Hemophilia A and B. PO-WE-165
 - b. P. ESHGHI, K. SALEM! and A. RAJIS! " Oral health status and oral health-related quality of life in Iranian hemophilic pediatric patients PO-WE-076
 - c. A. CHERAGHALI * and P. ESHGHI Cost Assessment of Implementation of ITI in Iran PO-MO-044
 - d. P. ESHGHI,* A. JENABZADEH* and B. HABIB PANAH! Five-year treatment report of hospitalized children with Glanzmann's thrombasthenia in a comprehensive hemophilia care centre (2006–2011) PO-WE-262
 - e. L. KHANALI, J. ABED-SAEEDI, H. FARAHANI, F. ABDOLLAH GORJI, B. HABIB-PANAH, S. TEHRANI TARIGHAT, S. ALAVI and P. ESHGHI. Quality of life of hemophilic children on prophylactic or on-demand treatment regimens in Iran PO-TU-211

- f. M. NADERI , P.ESHGHI and E. MIRI MOGHADDAM" Factor XIII deficiency in Sistan and Baluchestan of Iran PO-TU-259
 - g. Eshghi P. et al.Efficacy and safety of Osveral® -a new brand of Deferasirox- in Iranian major thalassemic patients with transfusional iron overload::A One year Prospective Multicentre Open-Label Non-Comparative study.12th International Conference on Thalassemia and The Hemoglobinopathies.11-14 MAY 2011.Antalya-Turkey

 13. Recent progress in hemophilia care in Iran, International Education Thrombosis and Hemostasis symposium 15-16th April 2010 Shiraz
 14. **Coagulopathy in hematologic malignancies in children.6th congress of the SIOP ASIA March 3-5 2010- Kish**
 - a. Afradi H,,Arjangyan MH,,Azarkeivan A. ,Hajibeigi B.,Aghaeepour M.,Razjoo F., Safrifi SH., **Eshghi P.** Evaluation of new method for washed RBC compare with old system in point of health and leukoreduction. 5th National Conferenss of Iranian Pediatric Hematology & Oncology Society.13-15 May 2009-Ramsar – Iran
 15. Articles presented in National Conference on Health oriented Pediatrics.Yasooj 2009
 - a. Prevention Strategies for thalassemia.
 16. Articles presented in XIII Ophtalmology Congress.25-27 Nov 2008 Tehran Iran
 - a. AR. Foroutan,,P. Eshghi, P.bakhtiari,H. Sianati. Efficacy of autologous fibrin glue for the primary pterygium surgery with conjunctival autograft.
 17. Articles presented in 1st Iranian Seminar of Thrombosis and Hemostasis.May 14-15 2008, Mashad ,Iran
 - a. P.Eshghi. Von Willeberand Disease.
 18. Articles presented in the 11th international Conference on Thalassemia and Hemoglobinopathy . Singapore;8-11 October 2008
 - a. Eshghi p., Miri-Moghadam E., Sanei-Moghadam E., **Prevalence of B chain Hemoglobinopathies in south east of Iran(oral-F20)**
 - b. Eshghi p., Pahlavani H., Dolatshahi B..**Self concept and Depression in major beta thalassemic patients in south east of Iran(QOL-09)**

- c. Eshghi p., Rakhshani F., Ansari-Moghadam AR. **Analysis of intelligence quotient in patients with homozygous beta-thalassemia in South East of Iran(QOL-10)**
19. Articles presented in XXI Congress Of ISTH 6-12 July 2007, Geneva
- a. Rastegar, G. Tamadon, **P. Eshghi**, et al. Genetic Analysis of Patients with Factor XIII Deficiency in Iran: report of four novel mutations.
20. **Articles presented in Iranian Congress of Pediatric emergency. 3-7 Feb 2007 –Tehran –Iran**
- a. **Eshghi P. Therapeutic Plasma Exchange in Hematologic Disorders.**
21. Articles presented in **International Congress on Transfusion Medicine. 11-13 May 2007 Tehran-Iran**
- a. **Sharifi Mood B., Eshghi P., ET al. Concordance of Hepatitis C and B in Hemophilic patients in South East of Iran.**
22. **Articles presented in the XXVIIth international Congress of the World Federation of Hemophilia Vancouver, Canada, 21-25 May 2006**
- a. A Zadeh-vakili, P Eshghi, G Rastegar Lari. **Efficiency of BclI restriction fragment length polymorphism for detection of haemophilia A carriers in Sistan and Balouchestan province in southeast of Iran.** Haemophilia (2006), 12, (Suppl. 2), page 12, (04 PO 73)
- b. P Eshghi, M. Jazebi, H. Hoorfar, M. Karimi, Z Badiee, M Yavari, M. Arasteh__ and F Ala, **Multicentric screening of factor VIII inhibitor in 358 Hemophilia A patients in IRAN 2005.** Haemophilia (2006), 12, (Suppl. 2), page 61, 14 PO 382
23. **Articles presented in the 10th international Conference on Thalassemia and Hemoglobinopathy . Dubai-UAE ,Jan. 7-10 2006:**
- a. **Peyman Eshghi MD., maasoumeh Fadaie MD., Esmail sani moghadam MD. Hepatitis C virus infection status and blood safety in 454 major b thalassemic patients in south east of IRAN in 2005**
- b. **Peyman Eshghi MD. , Ebrahim M. Mogadam MsC., Azita Z. Vakili PhD. Hematological values in heterozygotes for the IVS 1-5 G → C (b°) as the most common type of beta thalassemia mutation in south east of IRAN**
- c. **Peyman Eshghi MD., Hossein-ali Shahriari MD. Evaluation of ocular finding in B thalassemia under Treatment with desferal**
- d. **Peyman Eshghi M.D., Shahab-al-din Mashaie MD. Complications and Compliance to Deferiprone in 33 Beta thalassemic Patients on Combination therapy with L₁ and Desferal in Zahedan 2003-2005**
- e. Eshghi p., Soleimani G., Tehrani H. Complication and efficacy of combination therapy with Alpha Interferon and Ribavirin for Hepatitis C in Thalassemic Patients in Zahedan. 4th Congress of Iranian Pediatric Hematology & Oncology Society. 7-9 September 2006 , Kerman , Iran-Ramsar –Iran

24. Articles presented in XX Congress Of ISTH 6-12 Aug. 2005, Sydney, Australia
- a. **High Sensitivity Of Monochloroacetic Acid 1% Clot Lysis Test For Diagnosis Of Severe FXIII Deficiency,**
25. Articles presented in 27TH International congress of the World Federation of Hemophilia, **October 17 to 21, 2004 Bangkok, Thailand**
- a. **Eshghi P., Hassan Abolghasemi, Esmail Sanei-Moghaddam, Rashida Anwar, Mohammad Jazebi, MSc, Ali Amid, Fereydoun A. Ala, High prevalence of Factor XIII deficiency in southeast Iran.**
26. Articles presented in 2nd congress of Iranian Pediatric Hematology & Oncology Society (IPHOS), Kish April 28-30, 2004 (oral)
- a. **Eshghi P., Hematologic and electrophoretic phenotype of 116 carriers of beta thalassemia with IVS I-V mutation in S& B province of IRAN.**
 - b. **Eshghi P., Miri-moghadam E. Naroi-nejad M. Msc., Epidemiological report of PND on thalassemia in S& B province of IRAN**
27. Articles presented in 2nd congress of Iranian Pediatric Hematology & Oncology Society (IPHOS), Kish April 28-30, 2004(oral)
28. Articles presented in 4th national Iranian congress of Hematology and Oncology, Mashad, June 24-26 2004
- a. **Eshghi P, Epidemiological changes in childhood acute leukemia in Sistan & Baloochestan province during 2003-2004. (poster)**
 - b. **Eshghi P, Karimi M. MD., Unusual presentation of T cell Acute Lymphoblastic Leukemia/Lymphoma with huge enlargement of mandibula and maxilla in a child (oral)**
29. Articles presented in the 9th international Conference on Thalassemia and Hemoglobinopathy. Palermo-Italy, October 15-19 2003:
- a. **Eshghi Peyman, Razlansari Ali Akbar MD., Roodbari Masood PHD., Prevalence of Impaired Oral Glucose Tolerance Test in Major Thalassemic Patients with and without Hepatitis C Virus Infection in Zahedan in 2001(oral-70)**
 - b. **Abolghasemi MD., Eshghi P. MD., Evaluation of diagnosis and prevention program for Thalassemia in Sistan & Baloochestan province of IRAN in 1999-2002(oral-24)**
 - c. **Eshghi Peyman MD, Rahimi M. MD., Razaghi A. Msc., Evaluation of family practice consultation on knowledge, attitude and practice of major beta thalassemic's parents as an effective prevention program in south-east of IRAN (Zahedan -2001)(P77)**

30. Articles presented in 1st international symposium of hemostasis & thrombosis. Shiraz,2003
- a. **Eshghi P. Congenital deficiency of fibrin stabilizing factor in 44 cases in S& B province of IRAN. (oral)**
31. Articles presented in 1st congress of Iranian Pediatric Hematology & Oncology Society (IPHOS). Tehran, May 2-4, 2002
- a. Rakhshani F, **Eshghi P. MD., et al. Evaluation of IQ in major beta thalassaemic children in Zahedan in 2001 . (post.)**
32. Articles presented in 1st congress of Iranian Pediatric Hematology & Oncology Society (IPHOS). Tehran ,May 2-4, 2002
- a. Fattahi F. MD., **Eshghi P. MD.,et al. Endocrin problems in major beta thalassaemic children in Zahedan in 2001. (oral)**
33. Articles presented in 1st congress of Iranian Pediatric Hematology & Oncology Society (IPHOS) . Tehran ,May 2-4, 2002
- a. Pahlevani H. Msc., Dolatshahi B. MD., **Eshghi P. MD., . Evaluation of Self concept and depression in major beta thalassaemic children in Zahedan in 2001. (Oral)**
34. Articles presented in 8th international Conference on Thalassaemia and Hemoglobinopathy. Athens, Greece , October 18-21 ,2001.(P87)
- a. **Eshghi P, Nazari S. Prevalence of sensory-neural and conductive hearing loss in transfusion dependent thalassaemic children in Zahedan-IRAN 2001.**
35. Articles presented in Congress of nephrology ,Zahedan-IRAN ,March 11-13 2001
- a. **Eshghi P. MD.,Correlation between transfusion protocole and urate crystaluria in major beta thalassaemic children in Zahedan in 1998.**
36. Articles presented in 13th international congress of pediatrics. Tehran ,October 5-10, 2001

- a. **Eshghi P., Ghavami S. Correlation between serum zinc and height of major beta thalassemic children in Zahedan in 2000 .**
37. Articles presented in Iranian society of pediatrics congress on Pediatrics updates ,Tehran ,Dec20-24,1997
 - a. **Arzanian M., Eshghi P., Cytogenetic characteristic of acute leukemia in 50 children in mofid children hospital in 1997.**

Researches; Scientific projects and Dissertations:

International Multicentre Studies (As Main Investigator in IRAN):

- 1- **(3WINTERS-IPS):Type 3 Von Willebrand International Registries Inhibitor Prospective Study - Prospective, Multicentre, International,Non-interventional 5-year Clinical Study .Promoted by AB BONOMI Foundation,a NO-profit Organization with funds obtained from unrestricted grants of Five Companies-in process**
- 2- **SIPPET(Survey of Inhibitors in Plasma-Product Exposed Toddlers) Study, and independent ,multicentre, international ,prospective ,controlled ,randomized,open labeled clinical trial.Promoted by Fondazione Angelo Bianchi Bonomi in more than 60 centers around the world –in process**
- 3- **SMART-7: Prospective Observational Study on NovoSeven® RoomTemperature Stable (VII25) in Patients with Haemophilia A or B.an international study. Promoted and sponsored by Novo Nordisk Company**
- 4- **TARGET: study:An observational sTudy to Assess the feasibility of combining data from patient ReGistries in countries with developing health care systems to EvaluaTe Haemophilia management. Promoted and sponsored by Novo Nordisk Company**

National and multicenter projects and clinical trials as the Main Researcher (ordered ,supervised or Granted by Ministry of Health of IRAN)

1. **National Registry of congenital bleeding disorders In Iran. National project ,ordered and supervised by MOH(finished)**

2. **Randomized triple-blind controlled trial: Urine Iron excretion following Desfonak vs. Desferal administration in major thalassemic patients: A Multicenteric randomized triple-blind controlled clinical study (finished and going to be published)**
3. **Health Technology assessment of Implementation of Immune Tolerance Induction in hemophilia A patients with high titer inhibitor in Iran: a HTA study under supervision of National Health Research Institute).(finished and published)**
4. **Comparative cross over Triple blind Clinical Trial on safety and efficacy between Iranian produced Recombinant Factor Eight and Plasma derived Factor Eight in previous treated hemophilic patients in Iran (finished)**
5. **Efficacy and safety of Osveral® (Deferasirox) in Iranian major Thalassemic Patients with transfusional iron overload: :A One year Prospective Multicentric Open-Label Non-Comparative stud).(finished and published)**

Other projects and clinical trials as the Main Researcher

1. Comparing the cost-effectiveness of two alternative bypassing agents for patients with hemophilia A complicated by an inhibitor in Iran.(finished)
 2. Oral health status and oral health–related quality of life in Iranian hemophilic pediatric patients : Research project & dissertation of Salem K.. MD.(finished and going to be published)
 3. Frequency, Risk Factors and Consequences of Decreased Bone Mineral Density in Children with Hemophilia A and B. . Research project & dissertation of Moradveisi B. MD.(finished and going to be published)
 4. Safety , efficacy and cost of implementation of Immune Tolerance Induction in hemophilia A patients with high titer inhibitor in Iran :A Multicentric observational clinical study (in process)
1. Experience of single donor plasma produced fibrin sealant in reconstructive surgery of urethral fistula by preputial acellular matrix graft in rabbit: Scientific project of Iranian Blood Transfusion Organization Research Center & Pediatric Urology Research Center of Tehran University of Medical Sciences

2. In vitro characteristics and efficacy of fibrin sealant produced from from single donor human plasma in blood bank -2008 : Scientific project of Iranian Blood Transfusion Organization Research Center; MsC dissertation of Hashemi A.
3. Efficacy and Complications of Autologous Fibrin Glue for Primary Pterygium surgery by conjunctival Autograft-2008.: clinical trial study ; with collaboration between Iran Medical University & IBTO, Ophthalmology dissertation of Sianaty H. MD.
4. A Prospective assessment of outcomes of applying autologous fibrin sealant in tubless percutaneous nephrolithotomy (PCNL) in Shaheed Labbafinejad Hospital from 2007 to 2008 : clinical trial study ; with collaboration between Urologic Disease Research Center in Labafi-nejad Hospital & IBTO
5. Screening of Hemoglobinopathy in S&B province of IRAN , 2004 ,(Research project with collaboration between :Zahedan Medical University , Zahedan Division of Iranian Transfusion Organization
6. Multicentric screening of factor VIII inhibitor in Hemophilia A patients in IRAN 2005 (Scientific project with collaboration between 6 Medical Universities ,and Iranian Hemophilia Society. Sponsored by Novo- Nordisk company)
7. Evaluation of diagnosis and prevention program for Thalassemia in Sistan & Baloochestan province of IRAN in1999-2002 ,(Research project with collaboration between Ministry of Health and Medical education of IRI & Iranian Pediatric Hematology & Oncology Society (IPHOS))
8. Radiological and clinical classification of joint status of severe hemophilia A patients according to Peterson& Gilbert criteria in Zahedan in 2002- 2003 (Pediatric dissertation of Ali-Akbarian M. MD. .-Zahedan Medical University)
9. Evaluation of efficacy and complication of combination therapy with deferipon and desferal in cardiomyopathic major beta thalassemic patients in Zahedan (Pediatric dissertation of Dashti M.. MD.-Zahedan Medical University)
10. Hematologic and electrophoretic phenotype of 116 carriers of beta thalassemia with IVS I-V mutation in S& B province of IRAN , 2002-2003 (MD. Thesis of Kamalinia H.-Zahedan Medical University)
11. Evaluation of efficacy and complication of combination therapy with ribavirin and alpha-interferon 2b for HCV in major beta thalassemic children and patients under 18 years old in Zahedan (Pediatric dissertation of Tehrani H. MD.-Zahedan Medical University)

12. Prevalence of Impaired Oral Glucose Tolerance Test in Major Thalassemic Patients with and without Hepatitis C Virus Infection in Zahedan in 2001, (Pediatric dissertation of Razlansari A. MD. .-Zahedan Medical University)
13. Evaluation of Alloimmunization in major B.thalassemic patients in zahedan in 2001, (Pediatric dissertation of Mirmasoudi M. MD. .-Zahedan Medical University)
14. Comparison of sensitivity and specificity of hematologic index testes in screening of beta thalassemia minor in the family of major beta thalassemia patients in Zahedan in 1999 (Pediatric dissertation of Ghasemi K. MD. .-Zahedan Medical University)
15. Assessment the knowledge, attitude and practice of major beta thalassemic`s parents about thalassemia-Zahedan 1998 (MD. Thesis of Bozorgh-zade S.-Zahedan Medical University)
16. Correlation between transfusion protocole and urate crystaluria in major beta thalassemic children in Zahedan in 1998 , (MD. Thesis of Ghorbani H.-Zahedan Medical University)
17. Evaluation of family practice consultation on knowledge, attitude and practice of major beta thalassemic`s parents as an effective prevention program in south –east of IRAN (Zahedan -2001)(Research project with collaboration between Ministry of Health and Medical education of IRI , Zahedan Medical University)
18. Correlation between serum zinc and height of major beta thalassemic children in Zahedan in 2000 , (Research project & Pediatric dissertation of Hadizadeh F... MD.-Zahedan Medical University)
19. Evaluation of inhibitor titer in Hemophilia A and B patients in Zahedan in 1998-1999 (Pediatric dissertation of Safaie H. MD.-Zahedan Medical University)

 **As The Main Colleague, Consultant or Advisor of the Research:**

- 1- Comparison of Quality Of Life in children with hemophilia with and without prophylactic treatment in Tehran-1388 , Research project & MsC dissertation of Khan-Ali L. . supervised by: Abed Saeidi J.,Eshghi P.,Farahani H.

- 2- Comparative study between two methods for RBC washing in Blood Bank of Zafar Clinic considering their efficacy ; quality of blood product and adverse effects on environmental pollution-2006-2007 . Research project supervised by: Arzhangian M. , Iranian Blood Transfusion Organization
- 3- Evaluation of prevalence of thrombophilic factors in Thalassemic patients in Zafar Clinic-2007. Research project & MSc dissertation of Zahedpanah M. . supervised by: Azarkeivan A.
- 4- Evaluation of ocular finding in B thalassemia under Treatment with desferal. 1383, Research project & dissertation of Masoumian B. supervised by: Shahriari H. MD. , , covered by Zahedan Medical University
- 5- Evaluation of tubular and glomerular dysfunction of kidney in major beta thalassemic children in Zahedan-2004 Research project supervised by: Sadeghi S. MD. , Zahedan Medical University
- 6- Evaluation of Self concept and depression in major beta thalassemic children in Zahedan in 2001 Research project supervised by: Pahlevani H. Msc. , Zahedan Medical University
- 7- Incidence of mental health status in parents of cancer children in Zahedan -1383 Research project supervised by: Sajadi A. MD. , , Zahedan Medical University
- 8- Evaluation of IQ in major beta thalassemic children in Zahedan in 2001 , Research project supervised by: Rakhshani F. PhD. Zahedan Medical University
- 9- Endocrin problems in major beta thalassemic children in Zahedan in 2001. Research project supervised by: Fatahi F. MD. , Zahedan Medical University
- 10- Echocardiographic assessment of major B.thalassemic patients in Zahedan based on PEP/ET in 2000-2001 Research project supervised by: Noori N. MD. , Zahedan Medical University
- 11- Prevalence of sensory-neural and conductive hearing loss in transfusion dependent thalassemic children in Zahedan-IRAN 2001 Research project supervised by: Nazari S. MD. , Zahedan Medical University
